 **TICINO**
piccoli momenti
grandi emozioni

Agustín Rodríguez Lamas
President FIMBA

If someone asked me what the secret to life is, I would be inclined to say: keep doing what makes you happy. Keep moving, keep sharing, keep playing. Keep that part of us alive that never truly grows old. The part that gets excited over a perfect pass, a post-game hug, or the feeling of being part of something greater than ourselves.

Today, we are in Ticino, surrounded by mountains, natural beauty, and an energy you can feel in the air. We're celebrating a new edition of the most important tournament in our category. But beyond its size, what makes us

unique can't be measured in numbers. It's something you feel. It's in the reunions, in the jerseys soaked in stories, in the quiet shared moments after a tough game. It's in that intimate certainty that this is your place, and that it will always be here, waiting for you with open arms.

FIMBA was born from a simple yet powerful dream: that no one should have to stop playing because of age. A dream that was humble but deep, one that broke through borders, languages, and generations, and over time kept growing — without ever losing its essence — until it became the largest MaxiBasketball organization in the world.

FIMBA is the origin of that movement, which has been growing steadily for over 34 years. And by being here today, you are not just participants, you are a living part of that history. Every pass, every game, every moment in a FIMBA tournament is another page of that book we continue to write with passion.

Let's stay together, because that's what makes FIMBA truly unique. That's why we work tirelessly every day, so you can live an unforgettable tournament and feel that this is your place. This is your home. This is FIMBA.

Si alguien me preguntara cuál es el secreto de la vida, me inclinaría a responder: seguir haciendo lo que te hace feliz. Seguir moviéndote, seguir compartiendo, seguir jugando. Mantener viva esa parte nuestra que no envejece nunca. Esa que se emociona con un pase bien dado, con un abrazo después del partido, con la sensación de volver a ser parte de algo más grande que uno mismo.

Hoy estamos en Ticino, rodeados de montañas, de belleza natural y de una energía que se siente en el aire. Celebramos una nueva edición del campeonato más importante del mundo en nuestra categoría. Pero más allá del tamaño, lo que nos hace únicos no se mide en números. Se siente. Está en los reencuentros, en las camisetas transpiradas que cuentan historias, en los silencios compartidos después de un partido difícil. Está en esa certeza íntima de saber que este es el lugar al que perteneces y que siempre te va a esperar con los brazos abiertos.

FIMBA nació de un sueño sencillo y poderoso, que nadie tenga que dejar de jugar por cumplir años. Un sueño simple, pero profundo, que rompió fronteras, idiomas y edades, y que, con el paso del tiempo, fue creciendo —sin perder nunca su esencia— hasta convertirse en la organización de

FIMBA es el origen de ese movimiento que lleva más de 34 años creciendo sin detenerse. Y ustedes, al estar hoy acá, no son solamente participantes, son parte viva de esa historia. Cada pase, cada partido, cada encuentro en un torneo FIMBA es una página más de ese libro que seguimos escribiendo con pasión.

Sigamos juntos, porque eso es lo que hace que FIMBA sea única. Por eso, trabajamos incansablemente cada día para que vivas un torneo inolvidable y sientas que este es tu lugar. Este es tu hogar. Esto es FIMBA.

FIMBA

Omar Ulrich

President FIMBA Switzerland
and Organizing Committee

As President of FIMBA Switzerland and of the Organizing Committee, I feel immense pride in welcoming you to the largest Maxibasketball Championship ever held — and even more so, in hosting it right here in my home region of Ticino, Switzerland. This event marks a major milestone not just for our association, but for the global maxibasketball community.

We began our journey as the “14 Originals” in Montecatini in 2017 — the very first Swiss team to participate — and now, just a few years later, we are honoured to welcome over 6,000 participants

from all over the world. It is the first time the championship is being held in Switzerland, the first-time matches are spread across three cities, and the first time we welcome the Over-85 category — a true celebration of lifelong passion for the game.

To all players, coaches, officials, and fans: keep living the spirit of our motto — Basketball never stops. Enjoy every moment, both on and off the court, and take in the breathtaking landscapes of our region. With events and celebrations planned every evening, this championship is not only a competition — it's a festival of sport, friendship, and unforgettable memories. After all, Maxibasketball is where experience beats speed, strategy beats sprinting — and where we all beat bedtime by at least an hour... thanks to the dance floor, not just the scoreboard.

My deepest gratitude goes to all members of the Organizing Committee, our incredible volunteers, the Canton of Ticino, the cities of Bellinzona, Lugano, and Locarno, our partners and sponsors, and FIMBA International for believing in our vision.

**Welcome to Switzerland
and let the games begin!**

Como Presidente de FIMBA Suiza y del Comité Organizador, siento un inmenso orgullo al darles la bienvenida al campeonato de Maxibásquet más grande jamás celebrado — y aún más al poder organizarlo aquí, en mi región natal de Ticino, Suiza. Este evento representa un hito importante no solo para nuestra asociación, sino también para toda la comunidad global del maxibásquet.

Comenzamos nuestro camino como los “14 Originales” en Montecatini en 2017 — el primer equipo suizo en participar — y ahora, apenas unos años después, tenemos el honor de recibir a más de 6.000 participantes de todo el mundo. Es la primera vez que el campeonato se celebra en Suiza, la primera vez que los partidos se distribuyen entre tres ciudades, y la primera vez que damos la bienvenida a la categoría Over-85 — una verdadera celebración de la pasión por el juego a lo largo de toda la vida.

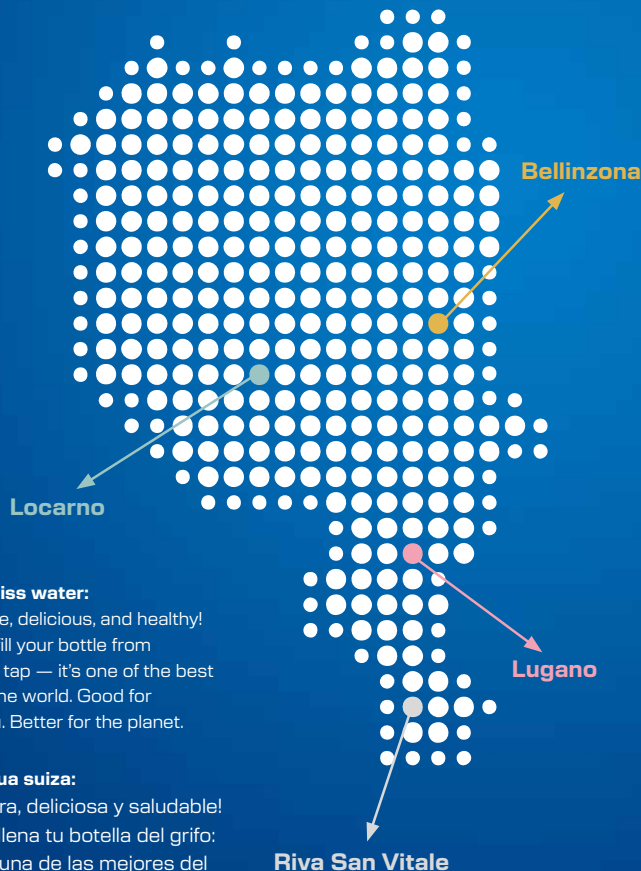

A todos los jugadores, entrenadores, oficiales y aficionados: sigan viviendo el espíritu de nuestro lema — El básquet nunca se detiene. Disfruten de cada momento, dentro y fuera de la cancha, y déjense sorprender por los paisajes de nuestra región. Con eventos y celebraciones programados cada noche, este campeonato no es solo una competencia — es un festival de deporte, amistad y recuerdos inolvidables. Al fin y al cabo, el Maxibásquet es donde la experiencia supera la velocidad, la estrategia vence al sprint — y todos vencemos la hora de dormir por lo menos una hora... gracias a la pista de baile, no solo al marcador.

Mi más profundo agradecimiento a todos los miembros del Comité Organizador, a nuestros increíbles voluntarios, al Cantón del Ticino, a las ciudades de Bellinzona, Lugano y Locarno, a nuestros socios y patrocinadores, y a FIMBA Internacional por confiar en nuestra visión.

**Bienvenidos a Suiza
y que comiencen los juegos!**
